REQUEST TO RESTART REPLY PERIOD PURSUANT TO MPEP § 710.06	Application #	10/756,750

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

S I R:

It is hereby requested, pursuant to MPEP § 710.06, that the **Office Action** mailed March 23, 2005 be re-mailed with a new response period and to the correct correspondence address of Customer Number 00881.

As shown by the Patent Office records, the correspondence address for this application when it was filed on January 14, 2004 was customer number 22204. Thereafter, on November 19, 2004, a new Power of Attorney and Correspondence Address (see the Declarations) was filed in response to a Notice of Missing Parts. The Power of Attorney was properly effected, but the change of correspondence address was not. As a result, the Office Action mailed March 23, 2005 was mailed to the incorrect (old) correspondence address, and was never received by the undersigned, by the Assignee, or by the inventors.

The undersigned (and later the applicant) first learned of this Office Action on June 24, 2005. This first knowledge of the Action came when a telefax from Ms. Carolyn A. Brown, in response to a Status Inquiry filed by the undersigned on June 10, 2005, noted that a non final action had been mailed on 03/23/2005. It is noted that though the telefax is dated June 22, 2005, it was not sent/received until June 24.

Therefore, in view of the error in sending the Office Action to the incorrect address, it is requested that the Office Action now be re-mailed with a new response period to the correspondence address of the undersigned (Customer Number 00881).

It will also be noted that a Change of Correspondence Address was filed on April

14, 2005 (again) requesting that the correspondence address be changed to that of the undersigned (and hence be consistent with the previously requested change), but that Change has evidently still not been effected. For that reason, accompanying this Request is a new (and third) request that the Correspondence Address for this application be changed to Customer Number 00881 (and hence be consistent with the already effected Power).

Respectfully submitted,

Date: 28 June 2005
